Insubuy, Inc.

Short-term health insurance for U.S. residents traveling abroad

WHAT IS TRAVELGAP® SINGLE TRIP?

TravelGap® Single Trip provides international health insurance for trips lasting up to 6 months, including a complete set of services to help you identify, access and pay for quality healthcare services anywhere in the world.

TravelGap® Single Trip fills health and safety gaps internationally:

Insurance — Even if you are already enrolled in a health plan, your coverage is limited when you travel abroad. In fact, your plan may not pay to have you safely evacuated if you are critically ill.

Information — Where do you turn to learn which hospitals and physicians meet your standards? Keep up with breaking news about health and safety threats? Translate key medical terms and brand-name drugs?

Access to quality care — How do you find a western-trained, English-speaking doctor with the appropriate skills? How do you arrange a convenient appointment?

Each TravelGap® Single Trip policy includes broad, deep and reliable Global Health and Safety Services easily accessed through the web or HTH's toll-free customer service center.

WHY CHOOSE HTH WORLDWIDE?

Strength of a U.S. Insurer

TravelGap® Single Trip is insured by member companies of HM Insurance Group: HM Life Insurance Company and HM Life Insurance Company of New York are rated A- (Excellent) by A.M. Best Company. The Excellent ratings reflect the organization's ability to meet the financial obligations of its policyholders.

Better Coverage

Our plans have met the standards of state regulators and feature coverage more generous than plans sold as "surplus coverage" by foreign, nonadmitted insurers. For example, our plans do not restrict illnesses or injuries resulting from a terrorist act. In addition, we do not impose precertification penalties for hospitalization. Lastly, we provide coverage for preexisting conditions for medical evacuation. Preexisting conditions are also covered in other instances by our Excursion plan.

Highest Standards of Service

HTH Worldwide is a leader in international health insurance and assistance. Every aspect of HTH insurance programs is designed to meet the highest expectation for quality and service.

10-Day Money-Back Guarantee

We are so confident in our products that we offer the best guarantee in the business! If you are not completely satisfied with your TravelGap® Single Trip purchase, return your ID card to HTH within 10 days of receipt and include a letter indicating your desire to cancel. If you have not departed on your trip before the date of the letter, you will receive a full refund.

HTH MOBILE HEALTHSM

HOW TO ORDER

TRAVELGAP® ENROLLMENT FORM

by Mail, Phone, Fax or Online

Applications are available online or may be initiated by telephone or email. **See front cover for details.**

COST CALCULATION

Rates are based on the deductible and medical limit you choose along with your age and the length of your trip. The plan pricing tables provide daily rates based on these variables.

Three easy steps to calculate your plan cost:

- Step 1** - Pick a plan deductible and medical limit from the rate tables
- Step 2** - Find the corresponding daily rate based on the age of the enrollee
- Step 3** - Multiply the daily rate by the number of travel days required (7-day minimum)

If residing in NY, please multiply your total by 1.3.

Cost Calculation Example:

A 50-year-old traveler selecting a TravelGap® Excursion plan with a \$250 deductible and a \$500,000 medical limit would pay a daily rate of \$3.76. For a 10-day trip, the plan cost would be $\$3.76 \times 10 = \37.60

Please Note

If you purchase the TravelGap® Single Trip Excursion plan, you must be concurrently covered by a primary health plan (please see Plan Summary section for a definition of a Primary Plan), and you are not subject to a Preexisting Conditions exclusion (please see Preexisting Conditions in the Exclusions section).

Loss of one hand or loss of one foot means the actual severance through or above the wrist or ankle joints. Loss of the sight of one eye means the entire and irrecoverable loss of sight in that eye.

If more than one of the losses stated above is due to the same Accident, this Plan will pay 100% of the Principal Sum. In no event will this Plan pay more than the Principal Sum for loss to the Insured Person due to any one Accident.

There is no coverage for loss of life or dismemberment for or arising from an Accident in the Insured Person's Home Country.

No benefits are payable under any other provision of the Policy for expense incurred by the Insured Person on and after the date of the evacuation to the Insured Person's home area. Evacuation of the Insured Person to his or her home area terminates further insurance under the Policy for the trip. Any expenses for medical evacuation require the Insurer's prior approval.

This benefit is payable only once for a trip, regardless of the number of Insured Persons on that trip. No more than one visit may be made during any 12-month period. No benefits are payable prior to the end of the 7-day Hospital Confinement. No benefits are payable unless the trip is approved in advance by the Administrator.

Extension of Benefits: No benefits are payable for medical services received after the Insured Person's insurance terminates.
